WHY TEACHERS LOVE CAMP READING READY:

"We used this resource for our camp and it went so well! students loved it, all were engaged and even the principal was very impressed. We dressed up, decorated the room, and had lots of fun."

"I am a big fan of room transformations, and I used this resource to do a camping theme for reading review prior to our state assessment. The kids were actively engaged. They especially enjoyed playing "Go Fish" with text features. So MUCH fun!"

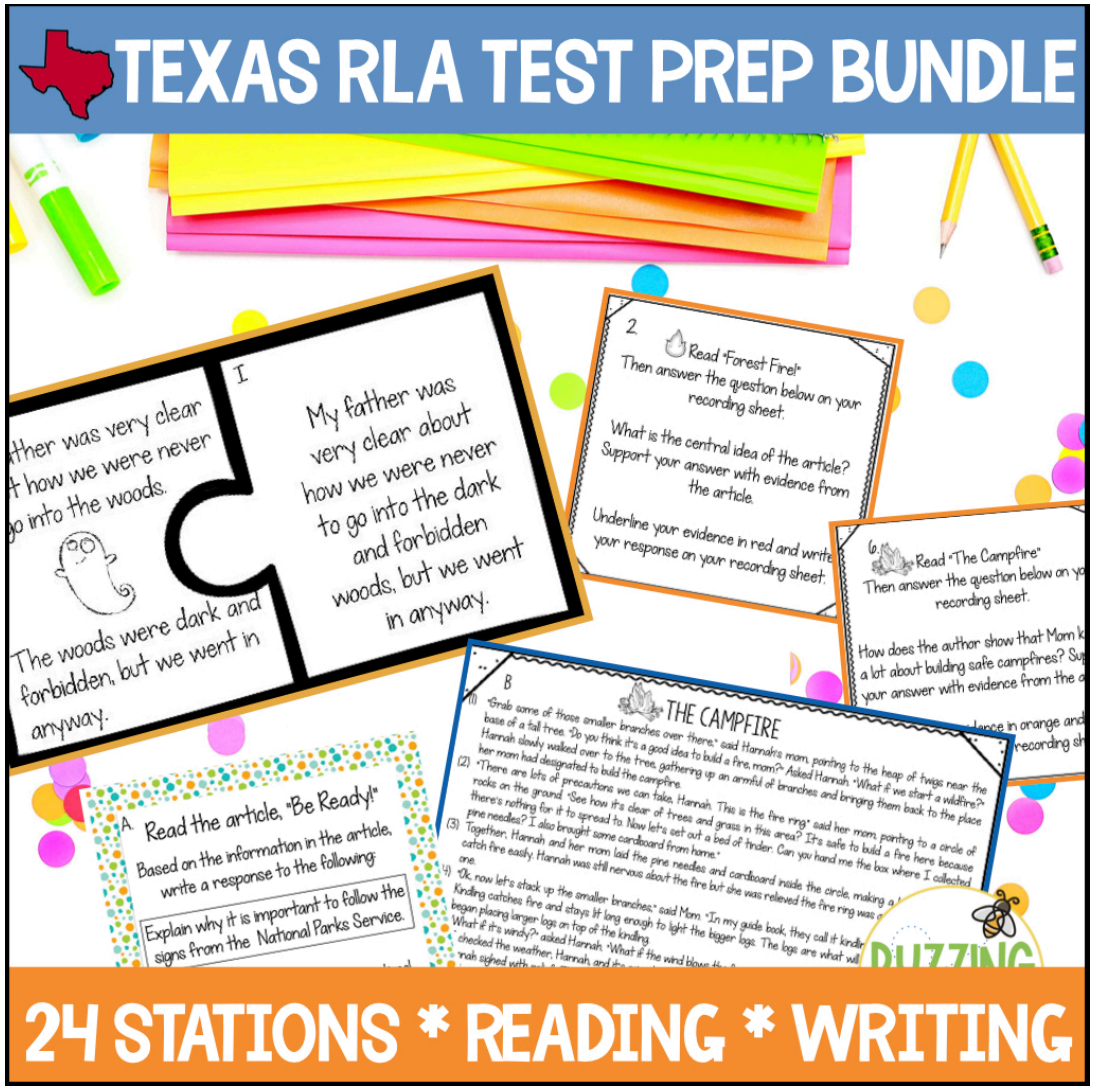

"Loved the variety of activities included in this. I used this to supplement an intervention week that we held during a break. Students liked the activities, and it was easy to pick and choose what to use."

"I was desperate to find something to use with my 3rd and 4th graders during STAAR reading camp. They were so tired of passages and multiple choice questions. This was more interactive and engaging even and taught/reinforced the same skills."
