BUZZING with Ms. B

32 PLAYS FOR PRACTICING FLUENCY & COMPREHENSION

YOUR STUDENTS WILL...

- ✓Read a fun holiday play
- ✓Build fluency through repeated readings
- ✓Grow comprehension

D

My Lucky Hat

Cast
Leprechaun
Hat

Setting: In the middle of a forest, in the leprechaun's burrow. It's St. Patrick's Day. The leprechaun is busy getting ready and the hat is resting on a shelf.

Leprechaun: It's that special day, Hat!
Hat: What day is that?
Leprechaun: Why, St. Patrick's Day, of course! It's the day where leprechauns have their way!
Hat: Has that come again already?
Leprechaun: Well, yes. It's been a full year since the last one!
Hat: Humph, that comes as a surprise to me. I remember it like it was yesterday.
Leprechaun: Oh, do you?
Hat: Yes, we marched in the parade...
Leprechaun: I remember that.
Hat: And we frolicked in the forest...
Leprechaun: Yes, yes, we did.
Hat: And you fell off a tree stump.
Leprechaun: That didn't happen!
Hat: It absolutely did. You were dancing around, singing, and you hopped up onto a tree stump. And then you fell off.
Leprechaun: Hat, I never fell off a tree stump. If I had done that, I'm sure I'd remember.
Hat: Nope. You landed pretty hard. I think you bounced.
Leprechaun: Hat! That never happened.
Hat: It did. Look at the scuff on my brim. That's where you landed!
Leprechaun: [*Looking at the scuff*] Well. I guess it did happen.
Hat: Told you so.
Leprechaun: [*scowling*] Well, that won't happen again. I have excellent balance and this year, I'll be extra careful while I'm dancing on stumps.
Hat: I don't know why you were dancing up there anyway.
Leprechaun: It's because the other leprechauns dared me to do it! You know, dance by the light of the moon and all that?
Hat: No.
Leprechaun: [*Rolls his eyes*] Well, anyway, it won't happen again.
