WHAT TEACHERS ARE SAYING ABOUT PARTNER PLAYS

"Enjoyable and humorous two person scripts that are an easy way for students to practice skills used in expressive reading. Fun for paired reading."

"I had to come back and leave a review on your plays! I have everyone of them and I love to use them in centers and days before a holiday. Many times with Readers Theatres, there is lots of "down time" but with partner plays, there is always reading going on at all times. My kids always cheer when I say "Okay we've got new plays!" Thanks for the great product!"

"My students love these partner plays. Partner plays give each student ample opportunities to practice smooth, expressive reading."

"My class loved using these in my fluency center! We even performed for the class during the last weeks of school."
