PRACTICAL PD ON THE GO FOR BUSY TEACHERS!

Don't reinvent the wheel! Use this Little Box of PD toolkit!

How to use this kit

1. Read the 4 things about...
2. Watch the video & take notes
3. Read the strategy card
4. Figure out where to use the strategy in your lesson. Check out the Idea Card for ideas, or I can help with this!
5. Teach your lesson with the strategy. Let me know in advance and I can come help or observe!
6. Reflect & share! Use the guide and add it to your BINGO board!

BUZZING with Ms. B

...s for packaging

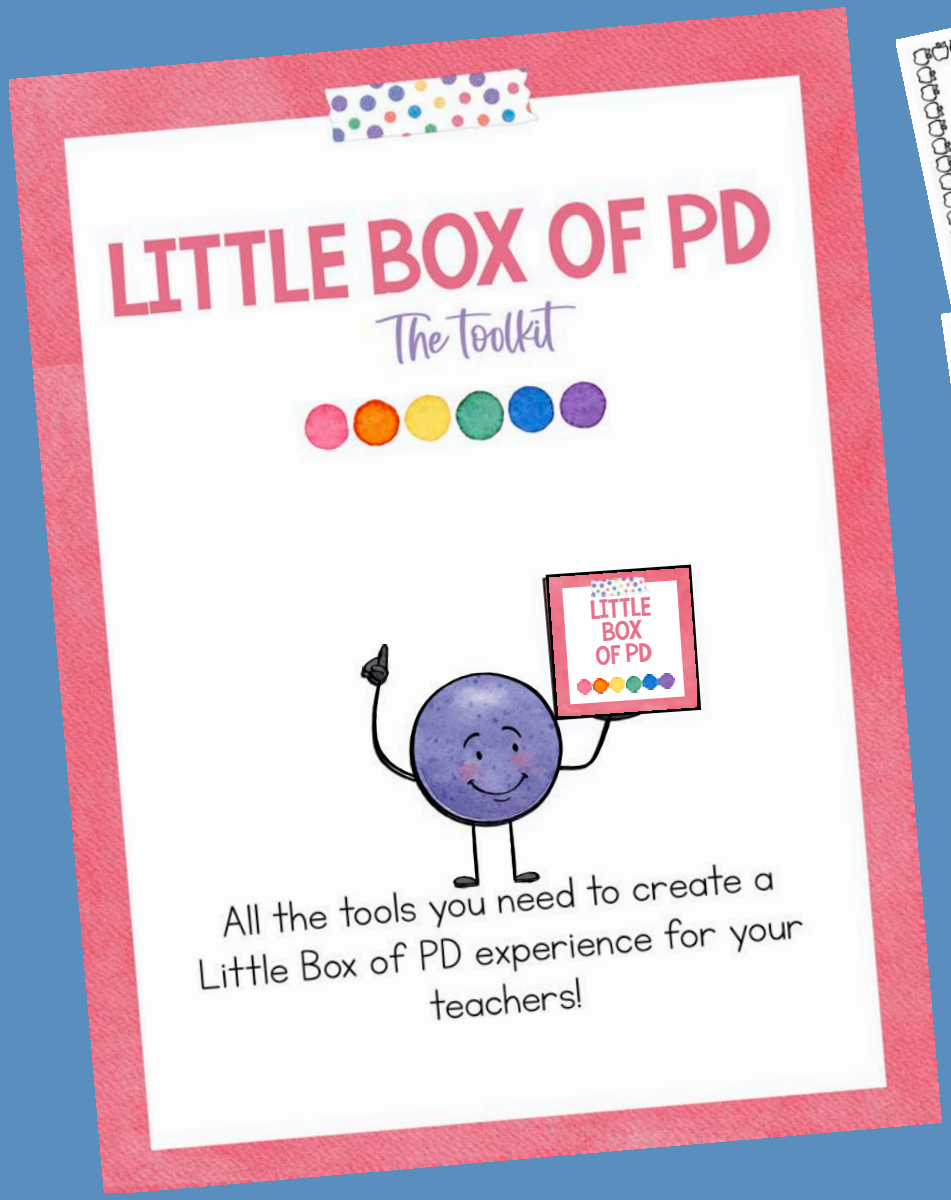

...t you need to either laminate and tape down the ...e cover to secure it.
... laminated resources for learning on one side ...ite on on the other side. You may consider ...ard to the teacher handout side too.

...you don't have to make your kits over and ...f kits, or multiples of the same strategy.

...still need to put the papers in a folder ...shed. These are good options if you're ... the PD in a Box.
