Preparation

To prepare for thi

*Paper bags (1 per fam
*Copies of the Space
directions (colored pa
*Scissors
*Crayons, if studen

Space Race

1. Staple or glue the directions to the paper bag.
2. Cut out the pieces.
3. Color the game
4. Follow the direc the game!

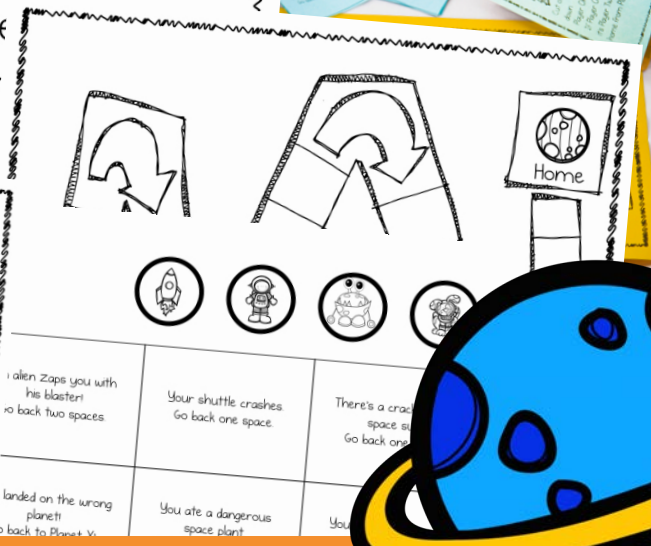

Space Race

At this station, students and their parents will make a fun word game that they can take home and play.

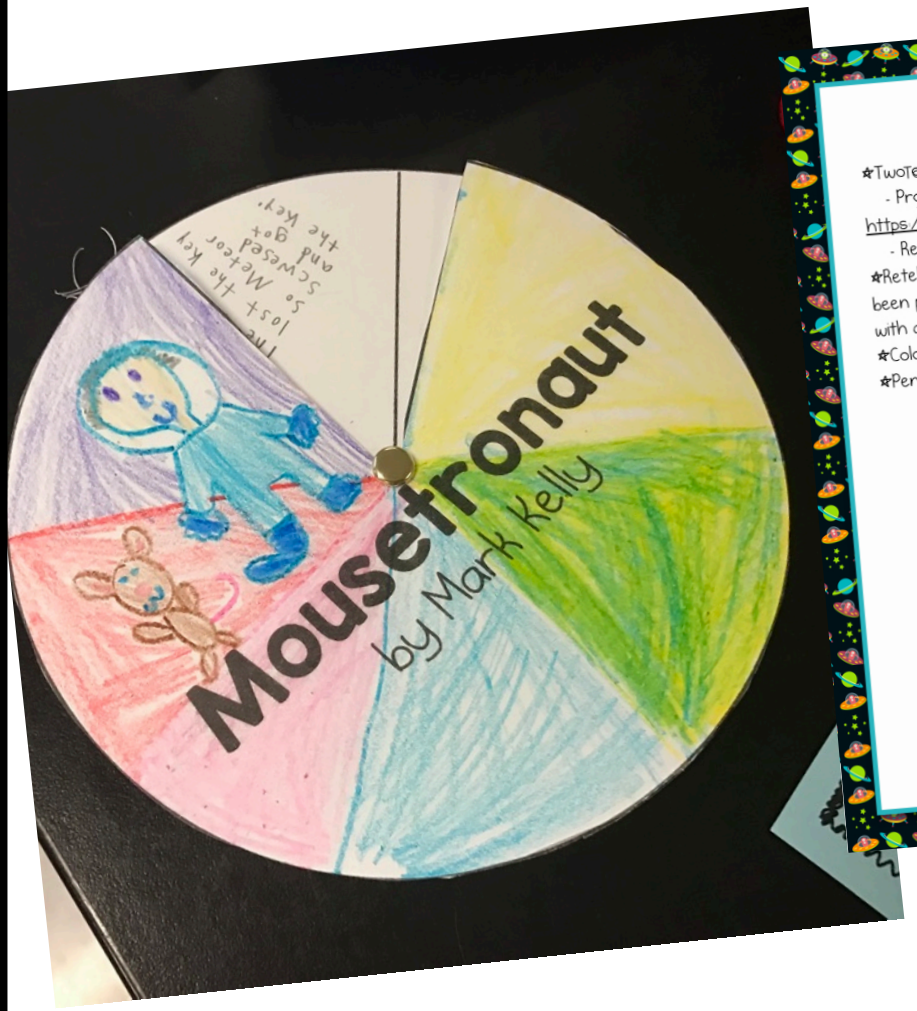

Space Race

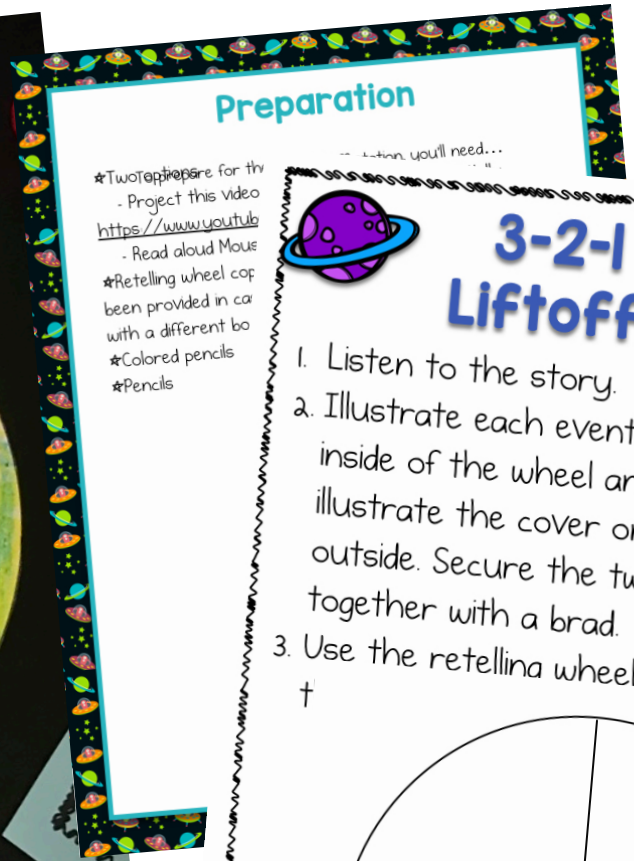

Choose a character piece. Color it and cut it out.
Cut out the game board cards. Place them in a stack, face down.
Player One draws a card and reads it aloud to Player One. If Player One answers correctly, they can advance. If not, it's Player Two's turn! First one to make it all the way home from Planet X wins!

WHAT TEACHERS ARE SAYING

"This resource is AMAZING. I held a space themed literacy night and these activities came in so handy. Students and parents were very engaged and busy for the duration of the Literacy Night."

"Our school is planning to help families learn more about things they can do at home to help their children with SOR aligned practices and our theme is Out of this World...so this resource was perfect in every way!"
