COZY UP WITH SOME DATA

Using data to make decisions about our teaching.

HOST A DATA PLC THIS WINTER

YOUR TEACHERS WILL...

- ✓Color-code focus standards by performance
- ✓Identify strengths
- ✓Analyze areas to grow
- ✓Identify concepts, process & vocabulary that need to be retaught
- ✓Make a plan for whole group and small group reteaching

MAKE A REALISTIC PLAN TO RESPOND TO DATA

Whole group: What needs to be retaught whole group? How will you teach it?
(If standard was under 70% mastery for the class, it should be retaught whole group a different way.)

Small group: What needs to be retaught small group? How will you teach it?
(If standard was over 70% mastery for the class, but groups of students struggled, it should be retaught in small groups for students who need it.)
