decorate a gingerbread

Would You Rather...
Use your hands to show which you'd rather!

Would You Rather...
Use your hands to show which you'd rather!

USE THESE SLIDES ALL WINTER LONG!

WHAT TEACHERS ARE SAYING

"My students love answering these would you rather questions in the morning. I appreciate that there are hand signals to give a quick visual of who likes what without students shouting out. I also display these in my writing center so students can write their response. "

"Another great resource from you! Your products are well worth the money. All your resources keep my students interested in their learning! "
